

AIM: Write Your GOAL (Short Term and Long Term) according to the concept you learnt about the GOAL

G: Group.

O: Oriented.

A: Achievement.

L: Learning.

Short-term goals:

These goals can be achieved within a specified amount of time.

My short-term goals are as follows.

1. Finish some online courses.
2. Improve my soft skill.
3. Connect with other industry professionals.
4. Create a savings plan.
5. Start doing workouts.
6. Create a morning routine.
7. Get out of my comfort zone.

Long-term goals:

A long-term goal is something you want to accomplish in the future. Long-term goals require time and planning. They are not something you can do this week or even this year. Long-term goals are usually at least several years away. Sometimes it takes many steps to complete a long-term goal.

My long-term goals are as follows.

1. Become a leader in my field.
2. Buy a house.
3. Increase my level of fitness.
4. Write a book.
5. Invent something.
6. Learn a new software program.
7. Be able to type without looking.
